

UVA IM-Rec is currently looking for swim instructors and lifeguards. We need swim instructors for our summer session that will take place from June 4-8 at the AFC (4:15, 5:15 & 6:15p). We have just posted a swim instructor position (see link below) that is open to anyone age 16 and up. Besides teaching in an awesome facility, our staff gets a free membership during their employment that is good to all 4 of our facilities.

The link to the lifeguard posting is also listed below and we are in need of summer guards to work.

Swim Instructor – select link below and scroll down to “Swim Instructor”
