## A Program for the Jefferson Swim League (JSL)

The Ben Hair – Just Swim for Life Foundation (BH-JSL) makes money available to JSL teams to teach financially disadvantaged children how to swim. This program is beneficial to BH-JSL, JSL teams, and JSL swimmers, but most importantly will further the goal of waterproofing the community.

The basic elements of this program are as follows:

- **Limited to the first THREE WSI applicants.** WSI's must be 16 years old or over and recommended by their coach.
- **BH-JSL will pay to certify Water Safety Instructors (WSI) employed by the teams provided they agree to provide a NO-COST learn-to-swim program to at least 12 kids who otherwise would not have had an opportunity or financial means to participate in a paid learn-to-swim program provided by the JSL team.**
- **Learn-to-swim classes take 6 hours to complete,** ideally with eight 45-minute sessions over 8 days or up to 6 weeks (1 hour per week). The team would be paid for 6 hours for each class and the maximum number of swimmers in each class is 6. There cannot be a charge for the class.
- **Once the classes have been taught, BH-JSL will pay the team for the expense of WSI certification and the cost to teach the required learn to swim classes at the normal hourly pay rate for teaching.** This will be done with a rebate check back to the team after the attached form is returned to BH-JSL certifying that at least 12 financially disadvantage children have been taught to swim at no cost to them.
- **Once the team has satisfied that one requirement, the WSI is free to teach any children how to swim.** Of course, BH-JSL would like for the WSI to continue teaching beyond this and will continue to pay the normal pay rate for teaching additional children who are financially disadvantaged, provided the classes are taught at no cost to the children.

**BH-JSL is a valuable charitable partner of the JSL and needs the ongoing financial, volunteer, and administrative support of JSL.** Its mission is entirely consistent with JSL Bylaw #1: *"The purpose of this Board is to insure a summer age group swimming program in the Central Virginia area and to provide a maximum opportunity for the greatest number to participate."*
